

TSANZ

The Transplantation Society of Australia and New Zealand

Expression of Interest: Living Kidney Donation Clinical Working Group Members

Introduction:

The Transplantation Society of Australia and New Zealand (TSANZ), with support from the Organ and Tissue Authority (OTA), is pleased to announce the formation of the Living Kidney Donation Clinical Working Group.

The committee will be comprised of clinicians with expertise in living kidney donation. The group will play a pivotal role in enhancing clinical practices, policy development and research related to living kidney donation.

Purpose:

The Living Kidney Donation Clinical Working Group aims to:

- Promote best practices in living kidney donation.
- Develop guidelines and policies to improve donor and recipient outcomes.
- Facilitate research and innovation in living donor transplantation.
- Foster collaboration among professionals and patient representative groups with an interest in the field.

Roles and Expertise:

We are seeking expressions of interest from clinicians with diverse expertise including:

- Nephrologists with a role in the referral and follow-up of living kidney donors and recipients
- Transplant Physicians
- Transplant Surgeons – donor and recipient
- Transplantation and living donation Coordinators
- Social workers, psychologists or psychiatrists specialising in donor/recipient counselling
- Nurses and Allied Health Professionals with transplant and living donor experience
- Ethicists with an interest in living kidney donation

TSANZ

The Transplantation Society of Australia and New Zealand

Responsibilities:

Members of the Clinical Working Group will be expected to:

- Attend regular meetings (frequency to be determined).
- Contribute to the development of guidelines and research initiatives.
- Participate in collaborative projects and initiatives.
- Engage with stakeholders and the broader community to promote living kidney donation.

Benefits of Participation:

- Opportunity to influence clinical practices and policies.
- Access to a network of professionals and experts in the field.
- Participation in groundbreaking research and innovation.
- Recognition for contributions to the field of living kidney donation.

How to Apply:

Please submit your expression of interest by **midday, Friday, 20th September 2024** by providing the following:

- A brief biography or CV highlighting relevant experience.
- A statement of interest detailing why you wish to join the group and what you hope to contribute.
- Contact information.

For further information or inquiries, please contact Kim Rawson, TSANZ Project Manager, projects@tsanz.com.au.

Submit your application to Kim Rawson, TSANZ Project Manager, projects@tsanz.com.au.

We look forward to your participation and contribution to this vital initiative.
